

# brimborions\*

*\* small objects of little value in old French*

Three gliding bubbles resembling baroque commas stroll about the pavements before the incredulous eyes of the passers-by.

Three teasing lanterns  
At some street corners,  
will be surprising the crowd  
playing shrill music  
and pleasing notes.

Mirlababi surlababo  
Mirliton ribon ribette  
Surlababi mirlababo  
Mirliton ribon ribo (\*).

Here they are, dancing, fooling around,  
entertaining the onlookers.  
Extravagance and velocity,  
Jokes and funny jargon.  
Try to understand their foolish pranks...

(\*) Victor Hugo

## concretely

- a trio of nimble actors driving stunning electrical scooters
- inflatable neo-baroque “object-costumes”
- original and varied live music
- amazing repertoire of original songs
- genuine invented language, audible and understandable by everyone and everywhere
- triplet dances, hand games and gesticulations at every song
- luxurious electronic transforming system of voice and sound: amplifiers, microphones, voice coders, sequencers-expanders, samplers.

## conditions

**show** → 2 200 € - *The company is not subject to V.A.T.*

**transportation** → round-trip from Toulouse – 0.70 € / km.

**assembly space & dressing room** → the day before the show, provide a secure, spacious and sheltered dressing room (for 3 people + 3 electric scooters + 3 inflatable structures), on ground floor (or with an access ramp for the disabled), imperatively without stairs, close to the starting point, with a 10/16A 220V electrical outlet to charge the batteries, equipped with tables, chairs, showers (if possible), a clothes rail for the costumes and bottled water. The place of assembly must be free of obstacles, allowing the preparation of the electric scooters for the show.

### performance & timing →

→ **2 loop parades\* of 40 minutes each.** \*starting from and coming back to the dressing room

Time required between 2 shows: minimum 1 hour to charge / change the batteries and for the comedians to rest.

→ **or up to 1H maximum** in a strolling parade - only in the context of a carnival parade (duration based on the battery lifetime supplying the blowers of the inflatables and the electronic sound equipment).

→ if there is a technical course, please contact us.

**staff ensuring the security of the show** → depending on the event: 1 or 2 people belonging to the organization who can accompany the show, from the beginning to the end.

**dismantling** → 2 hours (from 45 minutes after the end of the show – provide site lighting).

**accommodation** → for 3 people, breakfast included.

→ 3 single rooms – a secure parking lot should be provided for 1 van.

→ 2 nights: we will be arriving the night before (depending on the distance from Toulouse and the time schedule of the first performance). We will be leaving the following morning.

**catering** → for 3 people, hot meals.

→ dinner the night before, lunch and dinner the day of the performances.

**royalty payment** → Picto Facto filed a patent to the French patent Society (SACD) under the name “Brimborions”. The royalties need to be paid by the organizer.
